Journal of the American Pharmaceutical Association

index

volume NS6 1966

This annual index consists of
a general index (pages 672–679)
an index to authors of all articles published in 1966 (page 679–680)
a cumulative index of advertisements showing advertisers
and products advertised (page 680)
To simplify using the index,
a listing of the pages contained in each issue
according to month appears at right.

issue	pages	issue	pages
January	1–50	July	351–400
February	51–100	August	401–450
March	101–168	September	451–510
April	169–226	October	511–570
May	227–276	November	571–622
June	277–350	December	623–680
